WELCOME TO HYFI!

HyFidelity Dance is your leading dance studio on the Gold Coast. We accommodate for all ability levels and ages. From walking in our toddlers class to our internationally recognised Open Competition program. We believe age is no barrier with our one of a kind Adult class program. We offer classes for Adults in Hip Hop, Lyrical, Pom, Heels and Jazz!

With our Recreational team and internationally recognised Competition Team program we are sure to have the perfect fit for any aspiring dancer and performer.

We provide regular performance opportunities for our students from June onwards supporting local events and community fundraisers in our region. We participate in multiple local, national and international competitions with our competition team program, averaging one competition per month from June to November.

OUR MISSION & VISION

Our main aim is to provide an enriching, nurturing and positive learning environment for every athlete/dancer, their education and progression in our sport is our leading focus.

We pride ourselves on educating our students to be the best they can be and providing skills they can utilise for life. We believe the joy of dance should be experienced by everyone and should always be a positive, encouraging and engaging atmosphere. Our friendly staff and community aim to provide nothing less than this, with our students best interests at heart.

Whether you are a young beginner to experienced dancer, or a mature and motivated beginner (or experienced dancer), we have the class for you!

ALL INCLUSIVE PERFORMANCE PROGRAM

Here at HyFidelity our program offers both recreational and competition based classes and education programs. This allows students to participate in as little as one fun lesson a week to competitive teams that compete at State, National and International levels.

Our all inclusive program for recreational classes allows all students the opportunity to perform. We accept and create performance opportunities at local school fetes, community and fundraising events, shopping centres and various charity and corporate events throughout the year. Every year we finish the year off with our annual end of year concert. Where all students are invited and most welcome to perform in.

Whilst we encourage students to perform and participate in all our performances throughout the year, participation is completely optional. All members that wish to perform require our 2026 HyFidelity Dance costumes and appropriate dance shoes to the genre/style of class enrolled in.

HyFidelity takes great pride in choosing and designing all our costumes for each dancer, whilst offering them at affordable prices and outfits that make them feel confident and comfortable.

Costume ordering and pricing is available for order from February/March 2026.

PROGRESS & REPORT CARD PROCESS

In 2026, HyFidelity Dance will introduce an enhanced Progress & Performance Reporting system focused on personalised feedback and celebrating each dancer's growth.

- Mid-Year Progress Report (June):
- Students receive a teacher-completed progress report based on class participation and development, along with a medal or small achievement token.
- End-of-Year Progress & Performance Awards (October/November):
- Students receive a full-year report card and a trophy, presented at our End-of-Year Awards Night.

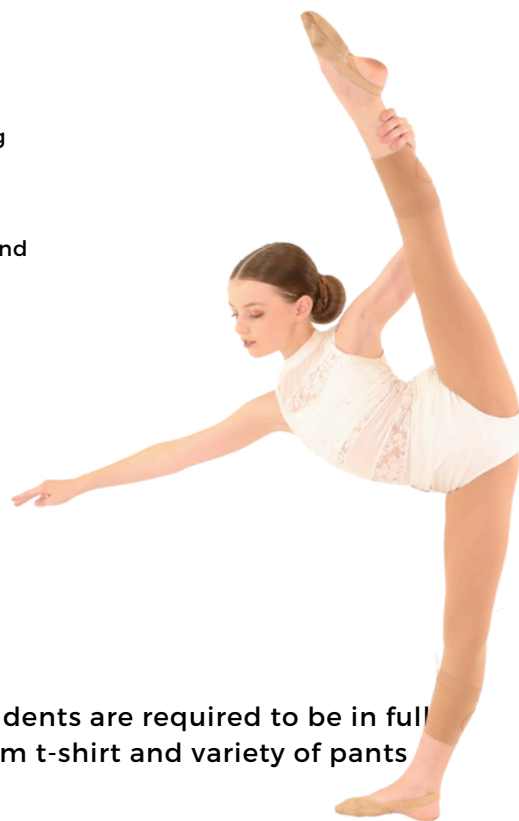

Our reporting is based on ongoing observation within regular classes, allowing for more accurate, supportive, and meaningful feedback.

Reporting fees are charged separately from regular tuition and released closer to each reporting period.

UNIFORM AND MERCHANDISE

HyFidelity Dance has it's very own studio and merchandise shop! All students are required to be in full uniform once their membership has been paid. This includes our uniform t-shirt and variety of pants and tights that are available to order and purchase.

We also offer jumpers, supporters shirts, scrunchies, bags, socks and much much more! We try our absolute hardest to offer competitive prices and sales throughout our dance year to ensure all our families get to benefit the range of merchandise we offer for HyFidelity Dance.

UNIFORM POLICY

We strongly encourage all our students to be wearing the appropriate training attire to all classes. This includes HyFidelity dance uniform attire as well as the appropriate footwear.

Dance shoes are to be worn in the studio at all times. Training attire must be in good condition and appropriate to dance and move adequately in. No excessive jewellery is to be worn in class, as this can create safety hazards whilst training.

Costumes are only to be worn at performances to keep them in good condition for the entire performance year. Uniform is required to be worn to and from all performances and competitions for safety and as per our child risk management policy.

COMPETITION & PERFORMANCE PATHWAYS

HyFidelity Dance offers a diverse and highly respected competition team program for dancers of all ages and styles, recognised locally, interstate, nationally, and internationally. Our teams compete across the Gold Coast, Brisbane, Victoria, South Australia, and on the world stage, consistently achieving outstanding results.

Over the years, HyFidelity has earned multiple National Titles, State Championships, and Grand Champion awards, including:

- 2021 – World Champions, Open Co-Ed Hip Hop
- 2023 – 7th in the World, Open Co-Ed Hip Hop & Open All-Girl Hip Hop
- 2024 – 9th in the World, Junior Lyrical
- 2024 – 10th in the World, Junior Hip Hop
- 2025 – 9th in the World, Open Lyrical

Alongside our elite competition teams, HyFidelity proudly offers Gold Coast Basketball Dance Squads as an exciting performance-based pathway for dancers seeking extra opportunities without the cost or intensity of full competition teams. These squads perform at live professional basketball games, offering dancers real-world performance experience, increased responsibility, and high-energy exposure in an electric atmosphere.

This pathway allows dancers to grow in confidence, commitment, and performance quality while representing HyFidelity in the community – making it an ideal stepping stone between recreational classes and competitive teams, or a performance-focused option in its own right. New dancers are welcome to apply for our programs at any time throughout the year. A casual audition or assessment may be required, and participation in competition teams does involve specific class requirements to ensure dancers are well prepared and supported.

MEMBERS BEHAVIOUR POLICY

Here at HyFidelity we believe in every student feeling comfortable, safe and welcomed in their class and our studio environment. To ensure this is upheld at all times we have a strict members behaviour policy.

All members are expected to show respect and consideration to all staff, coaches and to their fellow athletes. This will ensure a happy and pleasant environment for all.

All athletes are asked to arrive at least 10 minutes prior to all training sessions. Athletes need to remember they are a role model for others in the studio and should show leadership by always setting a good example at all times when in the studio or in uniform.

HyFidelity Dance has a strict **NO BULLYING** policy. Any student who is to be found bullying another athlete, in any form, will be asked to leave the studio immediately and their membership terminated.

All athletes must adhere to the studio rules and be willing to receive direction and coaching where appropriate.

All athletes are to be committed by giving 100% to their team. Dancing is a team sport and requires significant dedication and a high standard of attendance. Parents will be notified if an athlete's behaviour/attitude becomes unacceptable.

STUDENT SAFETY

- Parents/Carers are to convey the participant safely to and from the front door of the venue and acknowledge that HyFidelity Dance employees will only supervise the participant whilst in the class room in which the dance or class instruction is taking place. The parent holds sole responsibility for the participant's safety whilst waiting outside the allocated classroom time and space.

- Participants are to arrive at class 10 minutes prior to start time to check in.

- Participants are to be collected from class immediately following the end of their class. If this is not possible, a prior arrangement must be made with the Studio Receptionist and the student is to remain in the studio or waiting area until the parent/carer arrives to collect them.

- Participants are not permitted to wait in the car park unless written permission has been received from the parent/carer and the child is over 16yrs of age.

- Custody arrangements that will impact the drop off and collection of children must be provided in writing to the studio.

- Participants are to follow the directions of their Instructor throughout their class.

- All injuries and illnesses must be reported to the Instructor prior to participating in the class.

- Injuries that require a Doctor's/medical practitioner intervention must be reported to the Instructor. If the participant is advised to stop exercise whilst they recover from an injury, a medical clearance must be obtained before they will be permitted to resume attendance at class.

PAYMENT METHODS & BILLING

To ensure a smooth, efficient, and professional experience for our students and families, HyFidelity Dance now uses ENPNT as our billing and payment platform.

ENPNT allows families the flexibility to choose how they pay their fees, including:

- Upfront termly payments, or
- Direct debit instalments spread across the term on a weekly, fortnightly, or monthly basis.

Payments can be made securely via bank account or card through your ENPNT account.

Once your student is enrolled, it is essential that you promptly register your ENPNT account and enter your payment details against your invoice. This ensures payments are successfully processed from the beginning of term and allows for a smooth experience for everyone involved.

For safety and administrative reasons, class fees must be paid via ENPNT. Cash or EFTPOS payments may still be accepted for uniforms, merchandise, or costumes where required.

HyFidelity Dance operates classes year-round, with the exception of selected one-week breaks during school holidays and a longer annual break of approximately four weeks for end-of-year celebrations. This continuity allows for consistent training and a stable learning environment.

Please note that class fees are not refundable for missed lessons unless a medical certificate is provided. All fee terms and conditions are clearly outlined within your ENPNT agreement, and we strongly encourage families to read and understand these prior to confirming enrolment.

At the conclusion of each year, ENPNT agreements are finalised, and new agreements are issued for the following year to reflect updated enrolments and fee structures.

CLASS FEES AND BREAKDOWN

For 2026, we're excited to introduce a streamlined class package structure across the entire studio. Previously, recreational and competition students were on different pricing models, which created unnecessary complexity. Moving forward, all students will access the same class package options, regardless of pathway.

This change has been made to create a clearer, fairer, and more consistent pricing system for families, while also making our enrolment and billing process smoother within ENPNT. It means fewer variations, easier understanding of fees, and more flexibility for students as they grow within the studio.

Families can now simply choose the package that best suits the number of classes their dancer attends, with the reassurance that pricing is consistent studio-wide. Whether your dancer is recreational, exploring additional classes, or transitioning into more training over time, the structure remains the same.

We believe this approach provides greater transparency, easier budgeting for families, and a more seamless experience as dancers move through different stages of their HyFidelity journey.
